Provenance _____

Notes from the archivist:

This is an effort to create a definitive record of as many of Mr. Smith's bonsai pots as can be found. You retain ownership of the pot along with original documentation provided to this committee. Information submitted will be used only to authenticate Jim's work. Ownership will only be attributed with the permission of the current owner. We ask that the Registry be notified if there is any change of ownership.

Belinda Kehoe, librarian
keh406@gmail.com
321-446-5253 (Cell)

I give permission for my ownership to be included with the registry entry

Signed _____ Date _____

I wish my ownership to remain anonymous

Signed _____ Date _____

This form is available as an editable Word file or as a PDF. To submit the form electronically, fill out the Word file, and email it to Belinda Kehoe, keh406@gmail.com, along with the requested photos. Photos should be at least 1280 dpi wide (usually "Large" size in modern cameras).
